---

RESEARCH INTEREST

Cryptography & Network Security, Data Mining, Wireless Sensor Networks.

TEACHING EXPERIENCE Having 6 years of teaching experience

- Presently Working as Assistant Professor in department of CS&E from August 2014 to till date.

EDUCATION

B.E in Computer Science & Engineering from SJMIT College, Chitradurga, Affiliated to Visvesvaraya Technological University, Belagavi, during the year 2010 with First Class – 68%.

M.Tech. in Computer Science and Engineering from JNNCE College, Shivamogga, Affiliated to Visvesvaraya Technological University, Belagavi, during the year 2013 with FCD – 75.12%

PROFESSIONAL MEMBERSHIP

- Member of Indian Society for Technical Education (ISTE)
  Number: LM 125343

SKILLS PROFILE

- Operating System: Linux, Windows
- Languages: C, C++, Python, HTML, JavaScript

ACHIEVEMENTS

1. Qualified "Union Grants Commission-National Eligibility Test (UGC-NET)" June 2019 Examination conducted by NTA-NET for Assistant Professor.

2. Received "Certificate of Appreciation" for adopting Impartus Lecture Capture, getting highest karma points and being part of the digital revolution in education from Impartus.

3. Participated as Mentor for team Data-Devils for "Smart India Hackathon-2018" held at Sri Ramdeobaba College of Engineering and Management, Nagpur from 30th to 31st March 2018 and team won 10th consolation prize at the event.

SHORT TERM COURSES/WORSHOPS
Attended

1. Participated in five day Online FDP on "A DevOps approach: Dockers in Blockchain" from 17-21 June 2020 Organized by AMC Engineering College Bengaluru.

2. Participated in National level Webinar on "Blockchain for IoT" on 20th June 2020 Organized by PDIT Hosapete.

3. Participated in three day Online FDP on "Emerging technologies in IT Industry" from 28-30 May 2020 Organized by Jain College of Engineering Belagavi.

4. Attended five day Faculty Development Program on "Data Science and Big Data Analytics" conducted by ICT Academy on 21-25 Jan 2020 at BIET Davangere.

5. Attended one day Industry workshop in association with Bangalore Chamber of Industry and Commerce (BCIC) held on 23rd Feb, 2019 at BIET Davangere.

6. Attended one day faculty development program on "IoT, Data analytics and Software defined Networks" held on 16th March 2018 at BIET Davangere.

7. Participated as Mentor for team Data-Devils for "Smart India Hackathon-2018" held at Sri Ramdeobaba College of Engineering and Management, Nagpur from 30th to 31st March 2018 and team won 10th consolation prize at the event.

8. Attended five day Faculty Development Program on "Firewall Installation, Configuration and Management" conducted by ICT Academy in association with Palo Alto Networks from 08-12 Jan 2018 held at Alva's Institute of Engineering & Technology, Moodabidri, Mangalore.

9. Attended one week workshop on "Mobile, Cognitive, Cloud and IoT- The new computing frontiers" organized by dept. of CS&E, MSRIT, Bangalore from 25-30 July 2016.

10. Participated in "International Conference on Applied and Theoretical Computing and Communication Technology" (iCATccT-2015) held at BIET Davangere from October 29-31, organized by IEEE.

11. Attended one day workshop on "Professional Application Development using .NET" on 21st Aug 2015 organized by dept. of MCA, BIET, Davangere.

12. Attended two day "International Joint Colloquium on emerging technologies in computer electrical and mechanical-CEM 2011" organized by JNNCE, ACEE and AMAE from December-27-28, 2011.

RESPONSIBILITIES

- Worked as food committee member for the International Conference on Applied and Theoretical Computing and Communication Technology (iCATccT-2015) held at BIET Davangere from October 29-31, organized by IEEE.

- Worked as Student files committee member for National Assessment and Accreditation Council (NAAC).

- Worked as coordinator for 24 hours Learnathon organized by BIET CS&E department.

- Worked as coordinator for parent teachers meet in the year 2017.

- Worked as coordinator for Infosys Campus Connect program.

- Working as criteria 3 and criteria 4 member for National Board of Accreditation (NBA).

- Student counselor for higher semester's students.

SEMINARS/WORKSHOPS/EVENTS ORGANIZED

- Organized and participated in 2-day Bootcamp and 24hrs Hackathon on "Building Chatbots using IBM Watson" held at BIET Davangere on 11th to 13th Oct, 2018.

- Organized and Participated in International Conference on Applied and Theoretical Computing and Communication Technology (iCATccT-2015) held at BIET Davangere from October 29-31, organized by IEEE.

EXPERT LECTURES DELIVERED

- Delivered seminar on Object oriented programming with C++ as crash course for 4th semester CS&E students of department from 22 to 30 Jan 2017 & 23 to 31 Jan 2018.

SUBJECTS TAUGHT

For B.E.

Cryptography, Network Security & Cyber law, UNIX & Shell Programming, Programming in C and Data Structure, C++, Python, Computer Networks, C Programming for Problem Solving, UNIX & System Programming, Software Testing,Advanced Computer Architecture.
